Taking note of the letter dated 10 June 2009 from the Chairman of the Advisory Commission of the United Nations Relief and Works Agency for Palestine Refugees in the Near East addressed to the Commissioner-General,[2]

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,[3]

Recalling also the Convention on the Safety of United Nations and Associated Personnel,[4]

Affirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,[5] to the Palestinian territory occupied since 1967, including East Jerusalem,

Aware of the continuing needs of the Palestine refugees throughout the Occupied Palestinian Territory and in the other fields of operation, namely, Jordan, Lebanon and the Syrian Arab Republic,

Gravely concerned about the extremely difficult living conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the continuing prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade and the military operations in the Gaza Strip between December 2008 and January 2009, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women; widespread damage and destruction to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities; and internal displacement of civilians,

Commending the extraordinary efforts by the Agency to provide emergency relief, medical, food, shelter and other humanitarian assistance to needy and displaced families in the Gaza Strip,

Recalling in this regard resolution ES-10/18 of 16 January 2009 and Security Council resolution 1860 (2009) of 8 January 2009,

Expressing regret over the continued suspension of the Agency's efforts to repair and rebuild thousands of damaged or destroyed refugee shelters due to the continued prohibition of the import of essential construction materials into the Gaza Strip by Israel,

Stressing the urgent need for reconstruction to begin in the Gaza Strip, including through the completion of numerous suspended projects managed by the Agency, according to the proposal of the Secretary-General, and the commencement of United Nations-led civilian reconstruction activities,

Welcoming in this regard the International Conference in Support of the Palestinian Economy for the Reconstruction of Gaza, held in Sharm el-Sheikh, Egypt, in March 2009, and urging the disbursement of pledges to accelerate the reconstruction process,

Taking note of the Agency's continuing efforts to assist those refugees affected and displaced by the crisis in the Nahr el-Bared refugee camp in northern Lebanon, and welcoming the efforts of the Government of Lebanon and the international community to support the rebuilding by the Agency of the Nahr el-Bared camp,

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees,

Gravely concerned about the endangerment of the safety of the Agency's staff and about the damage and destruction caused to the facilities of the Agency, in particular as a result of the military operations in the Gaza Strip during the reporting period,

Deploring the extensive damage and destruction of Agency facilities in the Gaza Strip caused during the military operations between December 2008 and January 2009, including to schools where civilians were sheltered and the Agency's main compound and warehouse, as reported in the summary by the Secretary-General on the report of the Board of Inquiry[6] and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,[7]

Deploring also in this regard the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference and the failure to protect United Nations personnel, premises and property,

Deploring further the killing and injury of Agency staff members by the Israeli occupying forces in the Occupied Palestinian Territory since September 2000,

Deploring the killing and wounding of refugee children in the Agency schools by the Israeli occupying forces,

Expressing deep concern about the gravely negative impact of the continuing prolonged closures and severe restrictions on the movement of persons and goods, which in effect amount to a blockade in the Gaza Strip, and the construction of the wall, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem, on the socio-economic situation of the Palestine refugees,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,

Aware of the agreement between the Agency and the Government of Israel,

Taking note of the agreement reached on 24 June 1994, embodied in an exchange of letters between the Agency and the Palestine Liberation Organization,[8]

1. *Reaffirms* that the effective functioning of the United Nations Relief and Works Agency for Palestine Refugees in the Near East remains essential in all fields of operation;

2. *Expresses its appreciation* to the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, as well as to all of the staff of the Agency, for their tireless efforts and valuable work,
